

SRI BHARATHI ENGINEERING COLLEGE FOR WOMEN

(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai-25)

Kaikkurichi, Pudukkottai, Tamil Nadu – 622 303, India.

ACADEMIC YEAR (2018-2019) / ODD SEMESTER

REPORT OF THE PROGRAM		
1	Program Name	Recent Trends in Digital Signal Processing and its Applications
2	Date of program	25.08.2018
3	Resource person	Dr. R.Prabakaran Ph.D., Associate Professor/Department of EEE, Anna University, Trichy.
4	Participants	51
5	Objective of program	The main objective is to upgrade basic concepts and techniques for processing signals and recent development in Digital Signal Processing.
6	Program Description	The program started with a welcome address and introduction of resource person by Mrs.V.Kavitha, Head of the ECE Department. 51 students were attended the Seminar. In the forenoon session, resource person explained significance of DSP in modern communication systems, audio and image processing and biomedical fields. In the afternoon session, he continued with Digital Signal processing toolbox with MATLAB and students also interacted and got knowledge about various functions. The overall session was an interactive and enlightening session. The session ended with a vote of thanks by Mrs.M.Sathya AP/ECE.
7	Outcome of this program	The student gained knowledge on recent advances in signal processing and its applications like speech processing, video coding, image compression and segmentation.
