## **CUTTING EDGE TECHNOLOGIES IN ENGINEERING & RESEARCH**

The Department of Electronics and Communication Engineering organized a five-day Faculty Development Program (FDP) on "Cutting Edge Technologies in Engineering and Research" at Seminar Hall on 12th June 2023 to 16th June 2023. The Resource persons were Dr.N.Krishnaraj, Assistant Professor Senior grade, Vellore Institute of Technology (VIT), Vellore, Dr.K.Balaswamy, Assistant Professor Level III, Bannari Amman Institute of Technology (BIT), Sathyamangalam, Dr.M.Meignanamoorthy, Founder & CEO, Mech Tech Foundations, Pudukkottai.

The primary objective of the FDP was to provide educators with insights into the latest advancements and trends in research, fostering a platform for knowledge exchange and professional growth. The FDP commenced with an inauguration ceremony that was graced by the presence of our esteemed Chief Guest, Dr. N. Krishnaraj, Assistant Professor, Senior Grade, Department of Database Systems, School of Computer Science and Engineering, Vellore Institute of Technology, Vellore. His vast experience and expertise in the field added prestige to the event. The ceremony began with the welcome addresses and introductory session. The FDP featured hands-on experience on IOT mobile robot control using smart phone and web browser, sensor data monitoring using cloud service, IOT device controlling using web browser etc., and a panel discussion involving both the guest speaker and participants. These interactive sessions provided an opportunity for participants to develop deeper into the topics. The FDP was concluded with a valedictory session and a vote of thanks to all the dignitaries, speakers, participants, and the organizing team for their contributions to making the event successful.
