INSTITUTION SCHOLARSHIP POLICY

Academic Year 2017-2018

Sri Bharathi Engineering College for Women (SBECW) is running under Sri Bharathi Educational Institutions Trust (SBET), with a commitment to actively promote Women Empowerment. The dedicated management of SBECW consistently demonstrates its commitment to fostering women's education by offering scholarships aimed at facilitating the pursuit of undergraduate education, especially for individuals hailing from rural areas.

SBECW's management has instituted a comprehensive scholarship program, covering various categories by considering factors such as Communal Reservation, Parental Income, Single Parent status, and Meritorious achievements. The scholarship scheme is designed to address the diverse needs and circumstances of the student body, ensuring that financial constraints do not hinder deserving individuals from accessing quality education.

The details of the scholarship program are thoughtfully structured, encompassing a range of criteria to cater to the diverse backgrounds and aspirations of the students. These criteria include considerations related to communal reservations, ensuring equitable opportunities for students from different communities. Additionally, the scholarships factor in parental income levels, acknowledging the economic challenges that some students may face.

Recognizing the unique challenges faced by students with single parents, the management extends support through the scholarship program to alleviate the financial burden and encourage their pursuit of higher education. Moreover, merit-based scholarships are also part of the initiative, rewarding and motivating students who have demonstrated exceptional academic prowess.

In essence, SBECW's scholarship program is a testament to the institution's dedication to empowering women through education. By addressing various facets of diversity and socio-economic backgrounds, the management ensures that the scholarship scheme not only provides financial assistance but also promotes inclusivity and equal opportunities for all eligible students.
