12.	Enhancing Infrastructure and other facilities	<ul style="list-style-type: none"> ❖ Planning and analyzing the requirements of facilities. ❖ Enhancing the classrooms and laboratories. ❖ Enhancing basic amenities of the college. ❖ Upgradation of departments and Library

Conclusion

The strategic plan is an attempt to outline a course for the institute's growth and achievement of its objectives. The framework is intended to communicate the institute's future-year objectives. In order to drive success and sustainability over time, the appropriate implementation of strategic and regular evaluation will be carried out through cooperative teamwork. Due to scheduling constraints, the detailed deployment plans are not mentioned. These plans may not be static and could be modified according to the new needs.
